

Our aim and objectives

Our aim is to give **practical support to transforming secondary education in England** by building and enabling a world-class network of innovative, high-performing secondary schools in partnership with business and the wider community.

Our objectives set our ambition and commitments

- To develop the **specialist schools** and **academies system**
- To develop **specialisms** and **curriculum**
- To build and embed capacity in schools to **raise achievement**
- To develop specialist school and academy **partnerships** with **business** and the **community**
- To develop **leadership** and foster **innovation**
- To develop **our organisation** to achieve results
